## Mother's Morning Out Fitness Based Playschool

Extreme Tumbling is delighted to offer the first fitness based playschool education program in Barrow County! Children will be provided varied learning experiences in a nurturing environment by our creative and caring adults. Curriculum is developmentally appropriate for preschool aged children and each child is given opportunities for creative expression, socialization and oral communication with other children and adults. It is the hope of the MMO staff that each child will develop a life-long love for learning and fitness!
